HOW TO BE A GREAT

Separated from your TARDIS? Need a place to stay? Then follow the Doctor's tips for being a top flatmate

TALK TO THE ANIMALS

The Doctor knows that the best way to blend in and reassure your new flatmate that you are completely normal is by having a good old chat with your neighbours' pets.

MATCH OF THE DAY

For any new lodger, the only way to get your flatmate to like you is to go all David Beckham and be loads better at football than they are. Back of the net!

Take me to my room!

LODGER

READY, STEADY, COOK!

Like the Doctor, get on the good side of your flatmate by cooking up a storm in the kitchen!

MENU

Omelette à la Doctor

Fish custard

Pandorica pudding

SHOPPING LIST

✔ Whether its JAMMIE DODGERS or CUSTARD CREAMS, biscuits are always good – especially when you're covering your flatmate's job. Om nom nom!

✔ Stock up on COLD TEA in case your roomie touches that black patch on the ceiling – the one you told him NOT TO TOUCH!

✔ Everyone should always know where their TOOTHBRUSH is, just in case danger comes calling. Or do we mean the SONIC SCREWDRIVER?

LODGERS OF DOOM!

You wouldn't want to share your home with these guys!

PRISONER ZERO

Aside from the fact it's a monstrous multiform, with Prisoner Zero around you'd always be out of toothpaste!

A DALEK

Whoever controls the remote for the telly controls the galaxy! Do you think a Dalek would let you have that kind of power?

DREAM LORD

He might be a speck of psychic pollen behind the cooker, but you wouldn't know if the bathroom was real or not with the Dream Lord for a roomie.

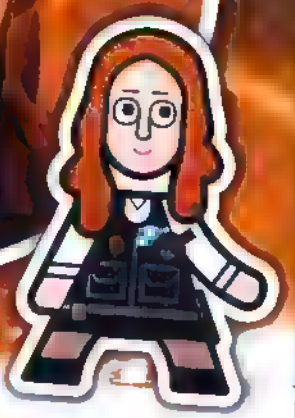
Pond is BACK!



Karen Gillan tells us what's in store for Amy

What's it like being back with Matt Smith and Arthur Darvill?

"There has been a bit of a gap, although we've been doing lots of press and things like that, so we've been seeing each other. But it's good to be back!"

How does the Doctor react to travelling with a married couple?

"Obviously, there's going to be a protectiveness between people who are married, and the Doctor feels responsible for bringing them on board. So I think there are going to be loads of new aspects of life-threatening situations to explore!"

Do you think that the Doctor might feel a bit left out?

"Amy will always have this special relationship with the Doctor that Rory can't ever really be part of, because they've just shared this thing together. It's interesting and a bit complicated."

"Pond is more exciting than Williams!"

Do you think Amy has changed as a character?

"Yeah – on a daily basis! I look back at some of the stuff I've done and it's different from how I would have done it now. But that's okay because it's good that the character is developing, as people do. You get to know Amy a bit better every day!"

Is Rory going to have to change his name to Pond?

"I think he should. Whether he agrees to it or not, I don't know. But Pond is more exciting than Williams!"

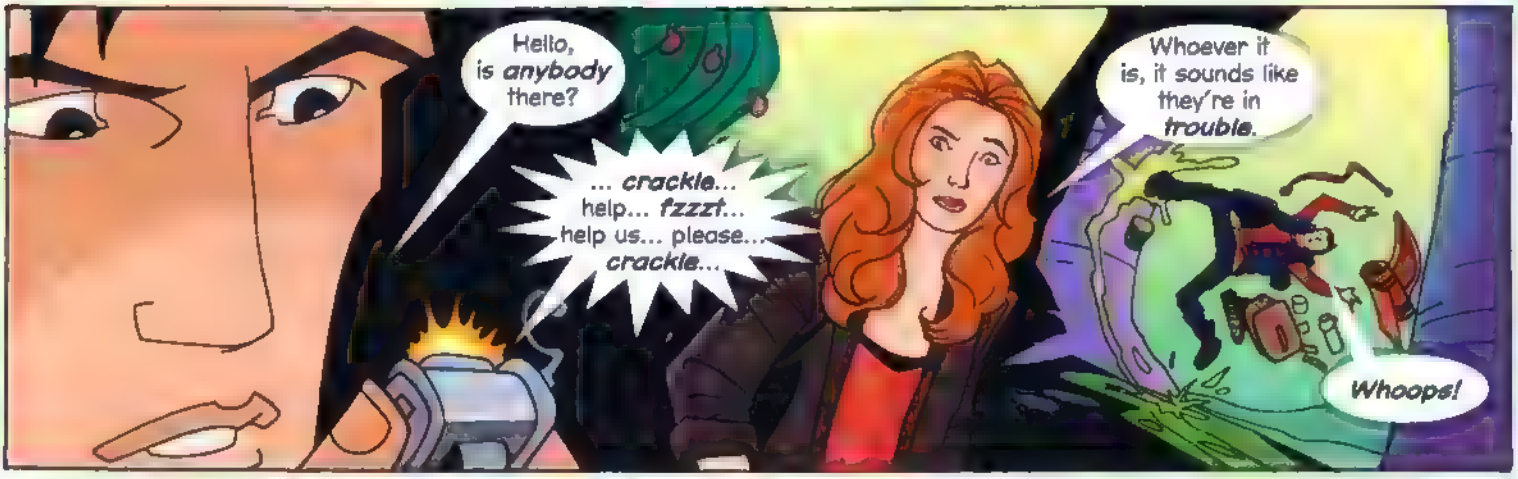
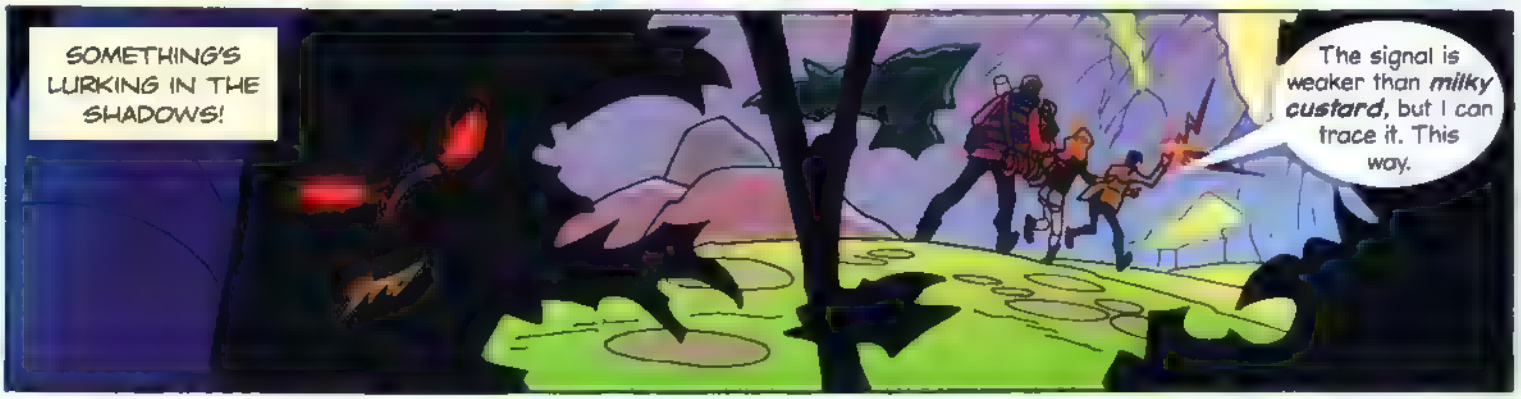
DOCTOR WHO ADVENTURES COMIC

IF YOU GO DOWN TO THE WOODS TODAY

THE DOCTOR, AMY AND RORY IN...





WORDS BY **CHRISTOPHER COOPER** ART BY **JOHN ROSS** COLOURING BY **ALAN CRADDOCK**

Rory, what's with the wavy hand signal?
It means 'stop'. Didn't you do your Cub Scouts tracking badge? No. Obviously. Sorry. Anyway, I think there's something in the clearing ahead.
Shhhh!

Look at them. They're so cute! Can we keep one? Oh, go on, Doctor.
No pets in the TARDIS, Amy. The occasional robot dog, maybe, but I draw the line at cute.

YIP! YIP! YIP!
We must've spooked them. They're scattering into the woods.
Look what they've left behind. More gadgets.
What were those little fellas doing with off-world tech, I wonder?

THE TRIO EXPLORE THE CLEARING.
Here's a rucksack. I reckon whoever this belonged to was from Earth.
Stand still, everyone. Don't make a move. I think this might be...

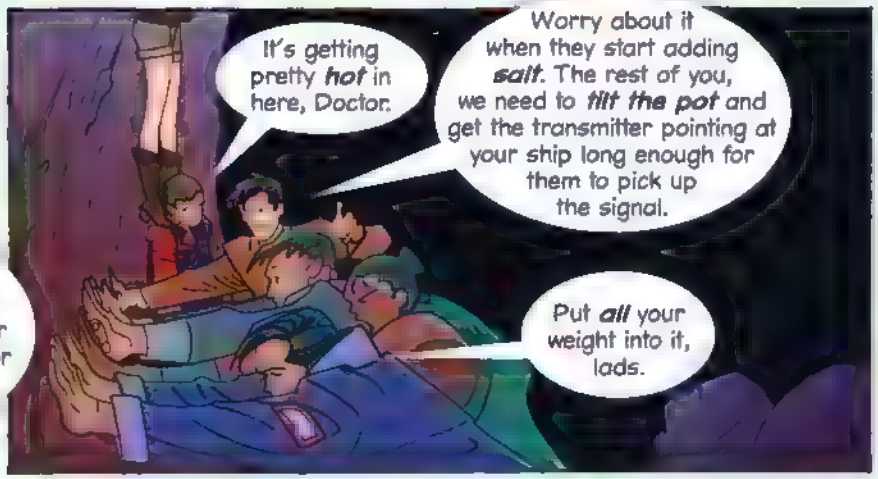
Sorry, was that me?
YIP! YIP!
... A trap!
YIP YIP YIP!
You know, I think I'd prefer a goldfish. You know where you are with a goldfish.
SNAP

THE NOT-SO-CUTE CRITTERS CARRY OUR FRIENDS DEEPER INTO THE FOREST.
Definitely a *tribal* culture, with a relatively advanced level of technology. This little *cage* is very clever.
So I guess this is their village, right? I wonder what the *big pot* is for?

Ah. A big enough pot to cook a big old *dinner*, which in this case, is probably *us*.
Weren't *we* the ones who were supposed to be having the picnic? Ouch! Watch where you're sticking that *stick thing!*
Woah!

INSIDE THE POT, OUR HEROES MAKE A STARTLING DISCOVERY.
What...? Who are you? You're not a *rescue* team.
There is no rescue team. Whatever metal this pot is made from, it's *blocking* your distress signal. Lucky for you, we found your communicator.

Luckier still, I reckon if we position your transmitter correctly, we can *bounce* the signal around the inside of this pot and *boost* its range.
And we're *much* more fun than any old rescue team.
Got it.



It's getting pretty *hot* in here, Doctor.
Worry about it when they start adding *salt*. The rest of you, we need to *tilt the pot* and get the transmitter pointing at your ship long enough for them to pick up the signal.
Put *all* your weight into it, lads.

Q In *The End of Time*, how did all the Time Lords appear if Gallifrey was destroyed?

Verity Budd

A When the Doctor ended the Time War, he destroyed all of the Time Lords and almost all of the Daleks. However, the Time Lords were able to see into the future and realised what the Doctor was planning. The day before they were meant to be destroyed, they came up with a plan to save themselves using the Immortality Gate. It nearly worked – until the Master betrayed them and did not let them through. They were then sent back to the Time War.

Make a MOVIE

the Tate Movie PROJECT

Bring your wild ideas to life with the Tate Movie Project!

We know you've got a **wild imagination** – that's why you can't get enough of time-travelling space heroes like the Doctor! So this is your chance to **put your awesome brain to work** on the universe's first ever film to be created entirely by films buffs – and you could be one of them!

The Doctor says his brain is a great big rollercoaster, packed full of geniuses all going, "Wheeee!". We're the **Tate Movie Project**, and we want YOU to show US what your brain is like by contributing your **wacky ideas** for an **animated movie**. Whether it's hand-drawn characters or monsters, yucky recipes to rival the Doctor's fish custard, sound effects or costumes – we want to hear from you!
